Hi Tuyen,

You are an ideal candidate to create a Deep Developer profile on Turing. We recommend you upload your resume at the earliest to bag attractive opportunities with US-based tech companies.

As a Turing Developer, you will have access to global, remote, high-paying opportunities that offer:

1. Long-term engagement.
2. Easy, lifelong job matching.
3. Access to developer community, mentorship, and upskilling opportunities.

If this sounds like something you'd be interested in, you can quickly move **ahead of 50% of candidates** by uploading your resume right now. All you need to do is:

1. Upload your existing resume.
2. Take the Automated Coding Challenge.
3. Check and incorporate our suggestions as you finalize your profile. We recommend actions that can add weight to your resume based on your skill level, experience, and Turing test results.

You can also click on the Help widget on your screen to find self-help articles or chat with us live for specific help regarding your resume. [Click here to learn more.](#)

If you encounter any difficulties while creating your profile, please email us at support@turing.com.

We look forward to matching you with new, exciting opportunities!

Good luck!
Turing
